Beth is suggesting closed press to start for mingling portion and then open press for actual awards presentation and gaggle if wanted.

Jamal, do you want to give her a call this afternoon and see if you think that's workable? Beth is in meeting now but says she'll be free later.

Morning - wireless not working on my laptop this morning so I'm a little hindered. A few things.

Ford you need anything from us on hometown strong? Gave Paul some video feedback.

Jamal and Noelle - can we figure out if exporter of the year lunch is open press or not? I feel like I know nothing about this but was surprised when we heard it was closed press. Should it be?

We need to get back to that paper that asked about ACP over the weekend. We can go with the comment I drafted. Jamal can you do this.

Samantha we never looked at remarks on your list. Can you send me that list of what you have to work on this week?

What else am I missing?
